Welcome to the 2025 DeMolay International Session and Congress

Greetings DeMolays, Advisors, Alumni, and Friends,

On behalf of DeMolay International, we are thrilled to welcome you here to beautiful Orlando, Florida! It is our pleasure to have you join us for the 2025 Session and Congress.

This week, we gather from around the world to celebrate our enduring brotherhood, honor our accomplishments, but even more importantly, we are here to set a bold course for the future.

Use your time to connect, learn, dream, and take action. Whether you are voting in Congress, attending Business Sessions, catching up with old friends, or making new ones, know this: YOU are part of building the direction of DeMolay. We are thrilled you are here. We are inspired by your passion. And we cannot wait to see what we will achieve together.

This is not just another meeting. This is not just another event. This is a movement — and it begins right here, right now, with YOU.

Since 1919, DeMolay has been a force for good. But today, we are called to do even more.

It is time to take bold steps — to shape the next generation of leaders, to modernize how we serve, and to deliver an unforgettable, world-class experience for every member, everywhere.

Our time together is more than fellowship — it is the foundation that strengthens the bonds of brotherhood and drives the extraordinary impact DeMolay has on the lives of young men around the world.

The future will demand more from us — more leadership, more professionalism, and more action. It is time to raise the bar and deliver a first-class DeMolay experience for every young man who walks through our doors. We are the generation that will take DeMolay from great to unforgettable.

Our collective goal has remained steadfast; to transform good young people into even better people. Together, we are engaging with today's youth and upholding our commitments to a brighter future. Collectively, we will achieve more, so they can be more!

Let's make the 2025 Session and Congress legendary — and evolve our future we are proud to call our own!

Celebrating a lifetime of brotherhood!

Jeffery A. Brunson, GC Grand Master 2024-2025 DeMolay International

Max Shanmugasundaram International Master Councilor

Dear brothers, advisors, supporters, and friends of DeMolay International,

It is a great honor to welcome you to this year's International DeMolay Congress and International Supreme Council Session in beautiful Orlando, Florida! This weekend is filled to the brim with opportunities to lead, to learn, and to create lifelong memories, so soak in every moment.

First and foremost, to the young men attending our Congress Session, I am very excited to welcome you to Orlando, and to connect with each of you! We have a weekend full of fellowship and fun planned for you. But, more than just an opportunity to meet brothers from around the world, Congress is an opportunity to lead and to make your voice heard at the highest level of our organization. For the good of our Order, I ask that you take full advantage of this opportunity. I thank you for joining us, for the work you do for DeMolay at home, and I'm excited to see the great things we will accomplish together this weekend!

To our adult advisors and leaders, I thank you for all that you do to create an amazing experience for our young men. DeMolay could not exist without the work that you do. Throughout this Session, I ask that you keep the best interests of our young men and the future of our organization in mind.

Session is a once in a lifetime event. For a few days a year, the world's foremost DeMolay leaders come together, sharing their passion and perspectives to pave the way towards a brighter future for our Order. The decisions made and actions taken here will directly affect the trajectory of our organization, the strength of our chapters, and the experiences of our members. It is my sincere hope that this weekend, we can set the foundation for a strong future for our Order, and that we'll have a great time doing it!

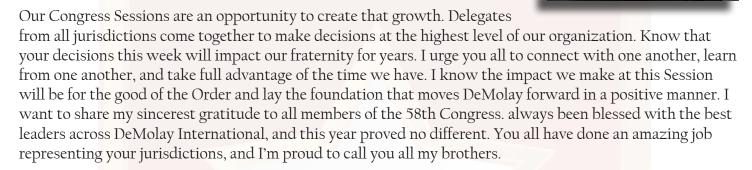

Fraternally,

Max Shanmugasundaram 58th International Master Councilor DeMolay International

Cole Westermayer International Congress Secretary

Greetings DeMolay International!

Welcome to DeMolay International Session and welcome to beautiful Orlando, Florida! I'm incredibly excited to engage with brothers from around the world to create memories and gain valuable information and resources that we can take back to our homes to grow the future of DeMolay.

I'd be remiss if I didn't send my appreciation to the entire Session Planning Committee, our International Supreme Council members, and all of our adult volunteers for everything you do for our youth. You help cultivate the experience for our young men, you work tirelessly to ensure we're taken care of of, and in general, we wouldn't be where we are because of your service and dedication, and because of this, I thank you and I appreciate you sincerely.

This Session will be filled with fun and fellowship, and I urge you all to enjoy every second of it. It will truly be a Session that will create lifetime memories of brotherhood and accomplishment. Let your voices be heard, and show everyone why we are the premier fraternity for young men in the world! As my time as an International Officer and Active DeMolay is coming to an end, I'm more than ready to step into the next phase as an adult volunteer and representative for our young men and our jurisdiction. I'm excited to get to work and carry the skills and traditions I've gained this last year to help shape the future generations of DeMolay!

Fraternally,

E. Cole Westermayer 58th International Congress Secretary DeMolay International

Georgia DeMolay has had a busy year! From DeMolayCon in July to our leadership training getaway this past April, we have been nonstop! We had one of our chapters receive a commendation from the Governor of Georgia, Mr. Brian Kemp, in order to recognize them for all of the hard work they have put into their community. We have brothers growing in faith and brotherhood both locally and statewide! We are grateful to have initiated 24 young men since DeMolayCon in July of 2024 and we are not slowing down!

DEMOLAY. KENTUCKY

Hello DeMolay International!

Greetings from Peter Thompson (JMC), Takoda Gouchenour (DMC), Ian Kirkpatrick (JSC), and Jimmy Powell (JJC) — the officers of Northern California DeMolay and Hawaii! We're super excited to share a little piece of the large family we call DeMolay. Our theme for this term is Heroes in Service: Champions in Action. Our convention took place in November, and that's where our story begins.

Just a few weeks after convention, we launched one of our new programs called FunV's — visits to our chapters where we bring small-scale, fun events to show how easy it is not only to plan something exciting, but also to attract new members. This

has been a huge success! Just a month later, we held our first Degrees Day, where we initiated 10 new brothers into our Order. After Degrees Day, we hosted a Blacklight Sports Day with light-up foam swords, glow-in-the-dark dodgeball, and a Nerf war under the blacklights — it was a blast.

In February, we hit the road a lot — for installations, FunV's, and simple chapter visits to check in and connect. March brought even more FunV's and installations, plus our Devotional Day, where we welcomed speakers from California Rainbow, California Job's Daughters, and even a Past International Grand Master. We also raised over \$400 for the Me-One Foundation, our term's philanthropic project. We initiated seven more brothers in March and wrapped up the month with an amazing trip to Six Flags Discovery Kingdom, where we had a super fun time together.

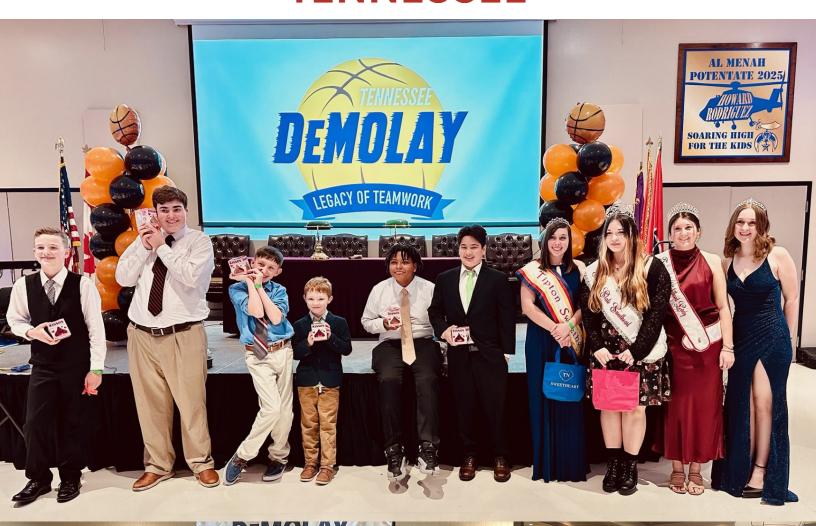

From April through May (and right up to when you're reading this), we've continued visiting more chapters, initiating more brothers, and strengthening the bonds not only within our jurisdiction, but with other DeMolay jurisdictions and youth orders across the state

We've also leveled up our social media presence, consistently posting upcoming events through our Flyer Fridays and jumping on fun and silly TikTok trends to show people what DeMolay is really about. It's not just a place to learn leadership skills, public speaking, or budgeting — it's also where you make memories, have fun, and grow closer with your brothers.

We're so happy to be here with you this year, and we can't wait to get to know you all better!
